INTEREST

I'm a designer specialised in product design and I have developed my design skills by studying in all disciplines. I have combined graphic design, motion design, modelling, UX-UI and more design areas within my knowledge. My vision is to make my user happy and satisfied with different design concepts.

SKILLS

Rhinoceros	<div style="width: 80%;"></div>	<div style="width: 60%;"></div>	Figma
Photoshop	<div style="width: 85%;"></div>	<div style="width: 70%;"></div>	Keyshot
Indesign	<div style="width: 80%;"></div>	<div style="width: 65%;"></div>	V-Ray
Illustrator	<div style="width: 85%;"></div>	<div style="width: 75%;"></div>	AutoCAD
Aftereffect	<div style="width: 80%;"></div>	<div style="width: 60%;"></div>	HTML
